The **HKJSECS**, being the first non-profit making joint secondary school students society in Hong Kong in the field of computer and information technology, was established in 1979 by a group of devoted and enthusiastic secondary school teachers and inquisitive students, who had strong interests in electronics and computer. The **HKJSECS** aims at stimulating students' interests in aspects of electronics and computer, fostering the exchange of knowledge in these fields and enhancing co-operation amongst schools.

To know more about our Society, please visit <http://www.jsecs.org>

We would like to take this opportunity to invite your school to join us in this academic year. Once your school becomes a member of our Society, students can freely take part in the activities we will be organizing in the coming year in addition to enjoying exclusive discounts when purchasing computer-related products offered by our partners.

We look forward to your generous support and participation in joining our Society as a

member school by filling in the enclosed Member School Registration Form. Please also nominate **three student representatives** to attend our **Orientation Day** which will be held on the **18th November 2006** in the Hong Kong University of Science and Technology.

Furthermore, to participate in our planning and acting tasks, your school can encourage up to a maximum of **4 students** (from F.3 to F.6) who are responsible and show strong interests in computer to become our **sub-committee members**. Candidates will have a choice to run for the Project Department, Public Relations Department, Publications Department or the Network Service Department. This is an unique opportunity for students, not only to learn more about electronics and computers, but also to gain more valuable experience and a good way to broaden the students' horizon.

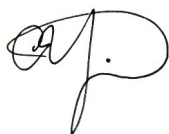

Interested students may fill in the enclosed Sub-committee Members Recruitment Form. Online applications are also available at our official website <http://www.jsecs.org>. Applicants will be invited individually to attend our selection interview held on the **4th November 2006** in the City University of Hong Kong.

Please be reminded that both the deadlines for the Member School registration and the Sub-Committee Members application will be on the **31st October 2006**. The completed forms may be sent to our Society by mail (PO BOX NO. 73945, Kowloon CPO) or by fax (2603 1362).

Should you have any further queries, please feel free to contact our President, Fioni Cheung, at 9325 9388, or, alternatively, send an email to hkjsecs@gmail.com.

Thank you for your attention and we look forward to your favourable reply.

Yours faithfully,
